markilux

The best under the sun

**Open folding arm awning**  
max. 700 x 400 cm

**Arm technology**  
twin steel-link chain

**Options**  
LED Line in the folding arms,  
shadeplus,  
pitch adjustment gear,  
aluminium coverboard,  
coupled awning

**Awning colours**

Select one of the two standard frame colours: traffic white RAL 9016 and metallic aluminium RAL 9006 or, at a surcharge, a RAL colour of your choice.

**LED Line in the folding arms and shadeplus**

The culmination of a wonderful day: a lovely evening outside on the patio or balcony with friends.

**Aluminium coverboard**  
Protects the cover from dirt and moisture.

**Pitch adjustment gear**  
The desired awning pitch is convenient to set, infinitely adjustable using a winding handle.

**Valance**  
This decorative piece of fabric conceals and protects the folding arm technology when the awning is retracted.

**Awning cover fabrics**
